

The Early Childhood Corner

From the Teachers' Desk

Dear parents,

The first month of school is complete. The children are becoming familiar with the schedule and are more comfortable in the classroom environment. They enjoy looking at books in the Library Center, playing in the Home Living Center, building in the Block Center and creating things at the Art Center, as well as doing puzzles and small motor activities like the magnetic animals at the Fine Motor Center.

As the Preschoolers become more comfortable at school, we will be able to facilitate and encourage more socialization skills. Presently, some tend to play by themselves, while others have progressed to the next stage where they play next to each other. We are also working on

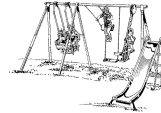

echoing prayers and songs, finding their names, cleaning up after snack and following a one step direction such as "Boys stand up". After they do that "Boys line up."

The 4K children are playing next to each other and most of the time are playing with others. We are working on sharing, taking turns, apologizing when we upset someone and following more detailed directions such as "If you have Dd in your name, line up at the silver circle."

In 4K, we have some children who are struggling to hold a pencil correctly and write their names. We are focusing on this and your help at home would be appreciated. Please remember that the only capital letter in a name is the first one.

Soon we will be checking addresses. If your child does not

know this information, you can practice it at home too. We have been taking walks around the grounds and going out to play whenever the weather is good. We will continue to go out until it gets too cold or wet. Child Care goes out all year unless it rains or is below zero. Thank you for sending appropriate outdoor clothing for your child.

We are working on taking coats off without sleeves getting turned inside out and having the children put their coats on by themselves. You can help us by working on that at home. Have a great fall!

In His service,
Mrs. Kropelin
Mrs. Leuck
Mrs. Murphy
Ms. Peterson
Mrs. Stiemke
Mrs. Zeuner

St. Paul Early
Childhood Center

Volume 13, Issue 2

October 2022

Special points of Interest:

- Check out the current participation in SCRIP
- We do not dress up for Halloween. There will be a fall party instead.
- Bring something for Show-n-Tell when you bring a snack or a drink.
- Learn about the visit from the librarian, Miss Britt

Inside this issue:

Snacks/S-n-T	2
SCRIP	2
Fall Parties	3
Illnesses	3
COVID	4

Saved Junk

We can get money for ink cartridges, used cell phones, iPods, iPads and large HP toner cartridges (usually used in machines in offices). When you bring them to school, they go in the large green topped box that looks like an ink cartridge, which is in the hall.

Picture Day

A photographer from LifeTouch will be here on Tuesday, October 11. Children in Preschool and Child Care that day can have their picture taken sometime during class. Others will be able to sign up for a time to drop by. Please fill out then return the attached form. There is no obligation to purchase anything.

3 Year Old Preschool in October

Date	Jesus Time Themes	Additional Concepts & Skills
October 3-7	Abraham's Son Isaac is Born	Safety #2
October 10-14	Joseph's Father & Brothers	Safety red
October 17-21	Moses' Birth	Wild Animals
October 24-28	Crossing the Red Sea	Wild Animals yellow

School Pictures

Tuesday, October 11
9:00 am -
1:00 pm

Life Skill: Take coat on and off by yourself. Fix the sleeves if inside out. 4K zipping

Family Tool Box: Sing songs about Jesus.

Snack/Show-n-Tell

We would like to thank you for the nutritious snacks that have been provided so far. Just a reminder - on the day your child brings the drink or snack, he/she may also bring something to show.

SCRIP (now Raise Right)

So far we have sold \$7,800 in SCRIP cards and had a \$255 profit for the first 3 weeks of September.

If you haven't given SCRIP a try, think about it. Some families saved over \$30 on a month of tuition as well as earned that amount for the Early Childhood Center.

Gift cards make great gifts too!

ShopWithScrip and MyScripWallet is also available so you can order electronically or have the purchase for immediate use on your phone.

Fall Parties

On October 30 and November 1, we will celebrate with Fall parties. We ask that children **do not** come to school with Halloween costumes. St. Paul's policy regarding Halloween is printed as follows in the handbook. "At St. Paul ECC, we emphasize Jesus' love and forgiveness instead of frightening images of goblins,

witches and ghosts. That is why we celebrate with a special Fall party in our classes rather than a traditional Halloween party. Halloween can be an exciting time with plenty of make-believe. There are fun and safe ways to celebrate that are not spooky or scary for preschoolers. Our art

projects during Halloween will include fall colors or things like pumpkins and beautiful trees instead of witches or devils".

We will have the party in our gym area (300 wing)

3AM from 10:30-11:30 am

3PM from 2-3 pm

4K from 10:30-11L30 am

4K in October

Date	Jesus Time Themes	Additional Concepts & Skills
October 3-7	Tower of Babel (Consequences for Sin)	Safety Pp - police octagon/hexagon

No School -
October 21

Child Care
is available

Life Skill: Take coat on and off by yourself. Practice zipping.

Family Tool Box: Sing songs about Jesus.

Absences/Illnesses

You have been doing a great job of letting us know if your child is ill or will be absent! It is helpful for us in our planning when we know this. Thank you for your help.

We especially need to know about the following: whooping

cough, chicken pox, impetigo, pink eye ringworm, strep, scarlet fever, fifths disease, mono, lice or swine flu. These are contagious and we would need to notify everyone in the class.

Book Buddies

Book Buddies are now available.

See the attached information. Each child will bring one home to try in the next few weeks. You may keep it for a week and after that, you may check them out yourself.

Field Trips

The Falls, Park & Library—4K walked to the falls and then to the park. We had wonderful weather! We will try to do this again in May. We ended the day at the library where the theme was "Saying Hello". We heard books about saying hello in different languages and used egg shakers or scarves to do a movement activity. The next library days are Oct. 5 for 4K and Oct. 6 for PS. Drivers will be needed at 10:50 am/

Bookworm Gardens— We will leave by 8:40 am and return by 11:30 am on Oct. 14. Please have your child wear shoes good for walking, a jacket if it is cool and our St. Paul shirt if you have one.

View pictures from our field trips and other special days in our classrooms by going to our website.

WMELS Standards

Positive Social Relationships

Social Competence:

1. *Demonstrates attachment, trust and autonomy.*
2. *Engages in social interaction and play with others.*

* We comfort your child when they have difficulty separating from you or get upset.

*We guide exploration of the classroom to help children find things to try on their own.

*Free play allows the children to play near or with others as they are comfortable.

*Guided play helps children interact with each other.

3. *Demonstrates understanding of rules and social expectations.*

4. *Engages in social problem solving and learns to resolve conflict.*

*We spend time learning and practicing procedures in the classroom like taking turns talking, sharing, etc.

*Christian behavior is modeled by the teachers and practiced by the children.

*When conflict arises we help each child share their side of the story and find a way to fix the situation.
