- On your scheduled date, please be outside the office door with your nametag on about 20 minutes before the service to greet people as they arrive. That's all there is to it!
- Host (Greeter) nametags are located on your left just inside the usher room in the "Tackle Box". Please feel free to leave them there or you can take them with you. If you are unable to locate yours, please leave a note in the drop box at the Welcome Center and a new one will be placed in the Host (Greeter) nametag drawers in the usher room.
- If unable to greet on the date you are scheduled, please call someone on the back of this page to sub for you. Reminders will not be in the bulletin, please be sure to mark your calendars for the dates you are scheduled.
